

Database Access and Responsibility

Anyone who wants to use the AKK On-Line Database can do so, but must first register (open an account). A user needs to provide limited personal information and update this information as necessary in order to keep it current. Your login information will constitute your personal account.

As a user, you are responsible for maintaining the confidentiality of your password and account information. You are also responsible for all activity that occurs in your account and you agree to notify the AKK On-Line Database Manager immediately if you become aware of any unauthorized use of your account. The AKK On-Line Database is not responsible for any loss that you may incur as a result of any unauthorized person using your account or password.

Anyone who abuses the rights of others or interferes in any way with the lawful use of this database may be subject to termination of access to The AKK On-Line Database at any time without notice.

Privacy Statement

User privacy is very important to The AKK On-Line Database. We do not sell personal information to third parties or use information about individual members outside the scope of The AKK On-Line Database. However, the AKK On-Line Database reserves the right to disclose aggregated information from Database (such as demographics and usage patterns) to the AKK community at large.

Disclaimer

Users agree not to hold The AKK On-Line Database, the Alaskan Klee Kai Association of America, Inc, nor any of its Board of Directors, or representatives, liable for any damages arising out of the use of or inability to use, this site. This is a comprehensive limitation of liability that applies to all damages of any kind, including compensatory, direct or indirect, consequential, special or incidental damages, loss of data, income or profit due to your use or inability to use The AKK On-Line Database.

Users hereby agree to use or rely on the information on this site at their own risk. The AKK On-Line Database is a good place to start your pedigree research. However, for information critical to your breeding program, consult the owners of the listed dogs, UKC Registry, OFA, CERF or other recognized registries and databases.

In using The AKK On-Line Database, you agree to defend, indemnify and hold the Database harmless from any claims and expenses, including attorney's fees, arising in connection with a violation of any of the above by you or through your use of The AKK On-Line Database.
